

Alliances

ORIS Creative Solutions Inc. network includes a community of skilled partners specifically selected to distribute and promote ORIS Creative Solutions Inc. products and services, support customers and to grow with them to ensure success. Through partners, customers have quick access to our solutions.

ORIS Creative Solutions Inc. cooperates with partners to jointly promote ORIS Creative Solutions Inc. and its

partners' products and services to increase brand awareness and lead generation. The Business Referral Program is designed to generate market awareness, sales opportunities, and revenue for the program participants. Together, participants leverage each other's strengths to gain customers and market share. We involve partners if our strengths in one field could be successfully complemented by their strong play in other fields.

ORIS Creative Solutions Inc. alliances are designed to develop and oversee partnerships with companies providing complementary technologies while enabling initial partnership development, go-to-market activities, and partner-developed, integrated solutions.

ORIS Creative Solutions Inc. is already helping many organizations meet their staffing requirements and their business needs, if you know of other companies that would benefit from our business solutions, then please feel free to contact us, you may be eligible to receive a referral fee (full details available upon request).
